

## business services

Often business owners are so busy with the complications of running a successful business, that they do not have time to look at the “big picture” planning for their business. Lake Elmo Bank can help business owners to run their businesses, as well as plan for future growth, business succession or successful wrap-up of the business.

We can help plan for the unexpected, such as a sudden disability. We are also able to help you transition your business as you prepare to retire. Lake Elmo Bank can help you work through these issues and set up a plan so that your desires for your business are achieved.

Products and services offered through the Trust Department of Lake Elmo Bank are not FDIC insured; not insured by any government agency, not a deposit or other obligation of Lake Elmo Bank, not guaranteed by Lake Elmo Bank, and are subject to investment risk, including possible loss of the principal invested.
