

trust IRAs

Traditional and Roth Individual Retirement Accounts (IRAs) should be a part of nearly every individual's retirement plan portfolio. However, many IRA holders desire a higher level of flexibility in their IRA investments than what is available with most IRAs.

Lake Elmo Bank's Trust IRA allows for entirely self-directed investments that include a broader range of investments than those allowed by many institutions. For example, many of our clients' IRAs own real estate. Promissory notes are other non-traditional investment options which are available through a Lake Elmo Bank Trust IRA.

To learn more about Trust IRAs, and to determine if it may be appropriate for you, contact a Lake Elmo Bank Trust Department Representative at 651.773.4420.

Products and services offered through the Trust Department of Lake Elmo Bank are not FDIC insured; not insured by any government agency, not a deposit or other obligation of Lake Elmo Bank, not guaranteed by Lake Elmo Bank, and are subject to investment risk, including possible loss of the principal invested.
